

NAZARETH EMERGENCY RELIEF AND REHAB FOUNDATION

NERF is a non-profit organization helping people in poverty who need relief and rehabilitation during natural crisis in India. It was born out of a serious felt need during the devastating Chennai Floods.

A little more about us...

NERF (INDIA) is a voluntary organization, a registered trust with an exempt under section 12 A (a) of the IT Act 1961. The objective of the NERF is to provide relief, to restore and to provide continuous rehab programs for the people of India. At NERF, we take up different projects minor to major in providing better health, education, sustainable lives for children, women and families. NERF also aims to join hands with different corporates / state & central government / NGOs to work on different social causes to bring change in lives of people of India.
